Hello Courtenay,

I confirm that it is ok to show the picture of the modem on the label exhibit.

Thank you,

Hi John,

How are you?

The FCC noticed that the ID Label Location exhibit shows a picture of the EUT and that you have requested STC on your photos.

Can you please confirm that the FCC ID label location exhibit (attached) that was uploaded, is OK to be viewable on the FCC website?

OR

Please send us a label location exhibit without a picture of the EUT.

If you have any questions, please do not hesitate to contact us.

Thank you,
Courtenay
