Columbia, MD 21046

To whom it may concern:

This letter is to request a Class II permissive Change of the following unit with FCC ID:

PKRNVWXV620

The change will entail the addition of an accessory adapter unit that will allow the ExpressCard to be operated from (2) USB ports by means of an adapter unit.

The Express Card operates in both the 800MHz and 1900MHz bands. SAR evaluation in the 800 and 1900 MHz bands will be required.

Novatel Wireless Inc.

A handwritten signature in blue ink that reads "John Spall". The signature is fluid and cursive, with the first letters of "John" and "Spall" being capitalized and prominent.
