Dear Sir/Madam

**RE: Confidentiality Request FCC ID: PKTNODEBYP**

In addition to the confidentiality request to comply with Section 0.457(d)(2)(i) for FCC ID, IPWireless Inc would like the following additional documents to be kept confidential.

1. Installation Guide  
All pages of the Installation Guide file: NodeB-V5-Rack Mount-Installation Guide.pdf
2. Photographs  
All photographs of the internal components of both the radio and digital shelves.

IPWireless hereby declares that equipment to which FCC ID: PKTBNODEBYP pertains is a non-consumer device and is inaccessible to the general public, such as a device mounted on the top of a large tower (or in a fenced enclosure) that is only serviceable by the licensee or his designated technicians.

The user/installation manual is very technical and is not provided to the consumer because the consumer cannot service the device.

Therefore we additionally request that the user/installation guide and all internal photographs are considered as confidential exhibits.

Yours Faithfully,
