**Part 15 Certification**

**(Permissive change class II)**

Gentlemen:

We, CORNEA TECHNOLOGY CO., LTD., would like to confirm that the below modifications will be incorporated into final product to be sold in the U.S.

1. Added the shield tape to the back side of LCD panel for modifications as shown in the Internal Photos.
2. Added the shield tape to the inner case which cover the main board, AC/DC board and Inverter board for modifications as shown in the Internal Photos.

Should you have any questions or comments concerning the above, please contact the undersigned.

Best Regards,

A handwritten signature in black ink, appearing to read "Yong-Hoon Lee".

Yong-Hoon Lee – Manager of CORNEA Technology Co., Ltd.
