RE: PL5GPC-2100 EA102549

To Whom It May Concern,

In regards to the Request For Confidentiality for the GTRAN PCS PCMCIA Modem, there is a line that states,

“3. GPC-3000 Board Layout.pdf”

Please disregard this statement due to the fact that the Board Layout was never supplied with the submission documents.

If you have any questions in regard to this matter, please do not hesitate to contact me.

Sincere Regards,
