

COMMPAK-900™

900 MHz

**Spread-Spectrum
Radio Modem**

WARNING

In order to comply with the FCC/IC adopted RF exposure requirements, this transmitter system will be installed by the manufacturer's reseller professional. Installation of all antennas must be performed in a manner that will provide at least 23 cm clearance from the front radiating aperture, to any user or member of the public.

EQUIPMENT LABELING

The manufacturer, product name, and FCC and Industry Canada identifiers of this product must appear on the outside label of the end-user equipment.

This manual contains information of proprietary interest to Encom Wireless Data Solutions Inc.. It has been supplied in confidence to purchasers and users of the COMMPAK-900, and by accepting this material the recipient agrees that the contents will not be copied or reproduced, in whole or in part, without prior written consent of Encom Wireless Data Solutions Inc.

Encom Wireless Data Solutions Inc.. has made every effort to assure that this document is accurate and complete. However, the company reserves the right to make changes or enhancements to the manual and/or the product described herein at any time and without notice. Furthermore, Encom Wireless Data Solutions Inc. assumes no liability resulting from any omissions in this document, or out of the application or use of the device described herein.

Encom ' products are appropriate for home, office, or industrial use, but are not authorized for utilization in applications where failure could result in damage to property or human injury or loss of life.

The electronic equipment described in this manual generates, uses, and radiates radio frequency energy. Operation of this equipment in a residential area may cause radio interference, in which case the user, at his own expense, will be required to take whatever measures necessary to correct the interference.

FCC Declaration of Conformity

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may caused undesired operation.

Encom Wireless Data Solutions Inc., products are warranted against all failures which occur as a result of defective material or workmanship within 24 months of purchase by the user. This warranty does not extend to products that, in the opinion of Encom Wireless Data Solutions Inc., have been subject to misuse, accidents, lightning strikes, improper installation or application, nor shall it extend to units which have, in Encom Wireless Data Solutions Inc.'s opinion, been opened, tampered with or repaired by an unauthorized facility.
