Description of variants of product

Date: 2014-08-08

Subject: Description of variants of products (FCC ID: **PMLERAW**, IC: **6140-ERAW**)

I confirm that the four variants of remote control (FCC ID: PMLERAW and IC: 6140A-ERAW) have identical internal circuitry.

The schematic is same for all version of remote control. The version W6S/U has all buttons and versions W1/U, W1S/U and W6/U have same schematic but without some buttons.

Sincerely,
By:

Mr. Enrico Campion
