Description of variants of product

Date: 2022-02-05

Subject: Description of variants of products (FCC ID: **PMLMYGOA**)

I confirm that the two variants of remote control (FCC ID: PMLMYGOA) have identical internal circuitry. The schematic is same for all version of remote control. The version MYGO8/A has all buttons and version MYGO4/A has same schematic but without some buttons.

Sincerely,
By:

Mr. Enrico Campion
