Ladies and/or Gentlemen:

Distribution Control Systems, Inc. (DCSI) hereby appoints Radiometrics Midwest Corporation to act as its agent in the preparation of the application under Part 15, Title 47 of the Code of Federal Regulation of the Federal Communications Commission. I certify that the exhibits properly describe the device being submitted under this application and will implement any changes described in the test report. The labels described will be affixed to each item.

By checking yes, the applicant certifies that, in the case of an individual applicant, he or she is not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U. S. C. 853(a), or in the case of a non-individual applicant (e.g. corporation, partnership, or other unincorporated association), no party to the application is subject to a denial of federal benefits, that includes FCC benefits, pursuant to that section.

Ladies and/or Gentlemen

In accordance with 47 C.F.R. 0.459, Distribution Control Systems Inc. (DCSI) hereby requests that the materials attached hereto and submitted to the commission be withheld from public inspection.

Specifically, DCSI requests that the following materials be withheld from public inspection under 47 C.F.R. 0.459 because the schematic are considered confidential trade secrets and technical data which customarily would be guarded from competitors:

Detailed Circuit Schematics of the RF-TX PCB are found in the FCC electronic attachments.

If there are any questions or if additional information is required, please do not hesitate to contact us

Sincerely,
