**Request for Tech. Info.: 2/13/03**

Dear Steve:

Transmitted herewith, on behalf of **AirPrime, Inc.** is an amendment provided in response to the request for technical information dated, February 13, 2003.

1. The EUT was tested for radiated power in all three host devices and the highest output power was reported. The EUT produced the highest ERP when it was installed in the Fujitsu Life book laptop.

If you have any further questions, please do not hesitate to contact us.
