

Dear Sir,

Regarding to FCCID: PNK4M0-EXT complies with 15.231 is depicted as below:

This product is not continuous transmission device, the RF signal (433.9 MHz) is remote control signal to select TV channel, and cease transmission automatically within 5 second. It complies with 15.231(a), therefore we tested it based on 15.231, test results all meet regulation.

If you have any question please feel free to contact us.

Best Regards
