Dear Sir/Madam:

Enclosed please find an FCC certification application for POMIINHAB3A0. The device is a wireless hearing aid intended for use by the hearing impaired. The wireless features are used during the initial fitting of a hearing aid to program the hearing aid, and used during normal usage to communicate control information to and from any properly configured Bluetooth Low Energy compliant accessory.

Further details and supporting documents are attached.

Should you have any questions, please feel free to contact the undersigned.

Sincerely,
