Dear Sir/Madam:

Enclosed please find an FCC certification application for **POMIINHBC1B0**. The device is a wireless hearing aid intended for use by the hearing impaired. The wireless features are used during the initial fitting of a hearing aid to program the hearing aid, to receive streamed audio signals from an appropriate accessory using IntriCon proprietary protocol, and used during normal usage to communicate control information to and from any properly configured Bluetooth Low Energy compliant accessory.

Further details and supporting documents are attached.

Should you have any questions, please feel free to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Mitch Johnson". Below the signature, the date "27 Nov 2017" is written in cursive.
