Electronic label

Wisycom S.R.L. guarantees the following rules:

- the FCC identifier is visible on the display by accessing from the Main menu the Info> STD submenus:
 step 1: access submenu Info
 step 2: access submenu STD.

- there are no special codes, accessories, or permissions to unlock the screen and accessing to the Info> STD menu.

- the FCC identifier is clearly legible on the display without the aid of magnification.

- the user manual reports clear information where find the FCC identifier.

- the regulatory information is secured and implemented in a factory-set-unalterable format.

- the regulatory information will be capable of being retrieved and displayed locally, and under the control of the end user in possession of the product.

The following label is applied to the packaging:

Model: MTP61
Opt:
SN:29900000   470-1075 MHz
    FCC ID: POUMTP61
    Contains FCC ID: QOQ-BGM220S2
