RE: FCC ID: POZ-ERU-0202001

Attention: Juan Martinez

I have a few comments on this Application.

- 1 The 731 form says the emissions designator is 4M18FXW, page 2 of the report says the emissions designator is 4M02FXW and page 6 of the report says the emissions is 4.208Mhz. Please clarify as to what the actual emissions designator. Please provide consistent information on the emissions designator. Also, please verify FXW not F9W.
- 2 Does the output power vary with loading?

A handwritten signature in black ink that reads "Dennis Ward".

Dennis Ward
