

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p><b>EUT View 1</b></p>	 A photograph showing a black computer mouse and its black cable lying on a blue textured surface. A black L-shaped ruler is placed next to the mouse and cable for scale. The ruler has markings in millimeters and centimeters. The mouse is positioned vertically, and the cable is coiled to its right. The ruler's vertical edge is on the left, and the horizontal edge is at the bottom.
<p><b>EUT View 2</b></p>	 A close-up photograph of the black computer mouse from the previous view, lying on the same blue textured surface. A black L-shaped ruler is placed to the left of the mouse for scale. The ruler's vertical edge is on the left, and the horizontal edge is at the bottom. The mouse is positioned vertically, and the ruler's markings are clearly visible.

<p><b>EUT View 3</b></p>	 A photograph of a white and black handheld electronic device, possibly a scanner or a specialized mouse, lying on a blue textured surface. The device has a central lens, a red button, and a black button. It is positioned next to a black L-shaped ruler with white markings in millimeters and centimeters for scale.
<p><b>EUT View 4</b></p>	 A photograph of a black handheld electronic device, possibly a mouse, lying on a blue textured surface. The device has a small white sensor on top. It is positioned next to a black L-shaped ruler with white markings in millimeters and centimeters for scale.
