SUBJECT: FCC Class II Permissive Change

Dear Sir/Madam,

The product, WLAN Module, has been granted by FCC dated 07/16/2009, and FCC ID is PPD-AR5B195

Now we, Atheros Communications, Inc. would like to apply for Class II Permissive Change.

There is no hardware or electrical modification made to the applying modular transmitter itself. We change the brand name, model number, added antenna and the host notebook. The differences between original application are like above description, the others are the same as original one.

Sincerely,

Michael Green / Manager, Global Product Compliance
Atheros Communications, Inc.
