Attachments: Request for confidentiality letter _ long and short term combined.pdf

Hi Lucy,

Pls see our answers.

Q#1: Based on the C2PC letter, this application is to alternate a portable host and co-location with Bluetooth module, FCC ID: QDS-BRCM1043. But according to page 10, 13 of host user manual, except WLAN, Bluetooth modules, additional WWAN module is also equipped with. There are no information documented about the WWAN portion in this C2PC application, please address.

[answer]client confirmed that the WWAN assessment will be done separately, subsequent to the C2PC approval to cover WLAN SAR and BT co-location.

Q#2: The FCC ID indicated on the letter of request confidentiality does not agree with this application. Please update.

[answer] FCC ID is correct in the confi. letter, not sure which document you refer to.

Q#3: MPE calculation as indicated in page 75 does not include WLAN antenna. Please address.

[answer] revised report attached.

Q#4: SAR test only investigated main antenna. How about aux antenna? Is it the receiving antenna only?

[answre]Yes, confirmed that Aux antenna is for receiving only.

Q#5: Please provide complete output power table with low/middle/high channels inside the SAR report since not only middle channel was set for SAR test.

[answer] revised report attached.

Thanks,

Claire Hoque

Hi Claire,

Please address following issues.

Q#1: Based on the C2PC letter, this application is to alternate a portable host and co-location with Bluetooth module, FCC ID: QDS-BRCM1043. But according to page 10, 13 of host user manual, except WLAN, Bluetooth modules, additional WWAN module is also equipped with. There are no information documented about the WWAN portion in this C2PC application, please address.

Q#2: The FCC ID indicated on the letter of request confidentiality does not agree with this application. Please update.

Q#3: MPE calculation as indicated in page 75 does not include WLAN antenna. Please address.

Q#4: SAR test only investigated main antenna. How about aux antenna? Is it the receiving antenna only?

Q#5: Please provide complete output power table with low/middle/high channels inside the SAR report since not only middle channel was set for SAR test.

Best Regards,

Lucy Tsai/CCS

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
