Subject: Request for Confidentiality
FCC ID: PPD-AR5BHB92-D

Dear Examiner:

We request the following portions of our application be withheld from public inspection as provided under FCC section 0.459:

BIOS lock logic, antenna datasheet

These documents contain details of the proprietary operation of the product not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

We also request the following for short term confidentiality:

Host Manual

Sincerely,

A handwritten signature in black ink that reads 'Michael Green' in a cursive script.
