Dear Examiner:

We request the following portions of our application be withheld from public inspection as provided under FCC section 0.459:

Antenna Specifications: DL1_WLAN_Antenna_Info.pdf
Operational description of BIOS Lock: Confidential_BIOS_Lock.pdf

These documents contain details of the proprietary operation of the product not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

Sincerely,

Michael Green / Manager, Global Product Compliance
Atheros Communications Inc.
