

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

June 27, 2006

Dear Examiner:

We request the following portions of our application be withheld from public inspection as provided under FCC section 0.459:

BIOS Lock Description
Antenna Location Diagrams
RF Exposure Description including Laptop diagrams

These documents contain details of the proprietary operation of the product not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

Sincerely,

Michael Green / Manager, Global Product Compliance
Atheros Communications Inc.
