September 10, 2010

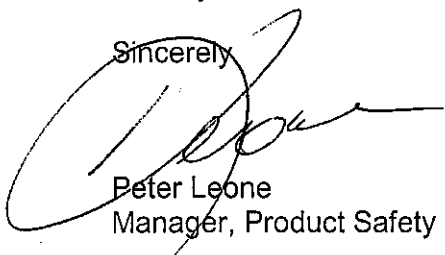

Subject: FCC ID: PPD-ARS63SB, and FCC ID: PPD-ARS63S, In Toshiba Host

Dear OET Staff:

This is to affirm that the WWAN module shown in some photos and indicated as an available option in the user's manual, is not part of the subject application. At such time when the 3G option will be made available, we will submit a separate application and obtain FCC authorization.

Thank you.

Sincerely

A handwritten signature in black ink, appearing to read 'Peter Leone', is written over the word 'Sincerely'.

Peter Leone
