

ThinkSmart View

Safety, Warranty & Quick Start Guide

Lenovo CD-18781Y

● Read this guide carefully before using device.

Read before using the ThinkSmart View

Read first - regulatory information

Device models equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use. In addition, if your product contains a telecom modem, it complies with the requirements for connection to the telephone network in your country.

Be sure to read the *Regulatory Notice* for your country or region before using the wireless devices contained in your device. To obtain a PDF version of the *Regulatory Notice*, refer to the “Downloading publications” section below.

Getting support

To get support on network services and billing, contact your wireless network operator. To learn more, go to <https://support.lenovo.com>.

Accessing your User Guide

Your User Guide contains detailed information about your device. To download the publications for your device, go to <https://support.lenovo.com> and follow the instructions on the screen.

Legal notices

Lenovo and the Lenovo logo are trademarks of Lenovo in the United States, other countries, or both.

Other company, product, or service names may be trademarks or service marks of others.

LIMITED AND RESTRICTED RIGHTS NOTICE: If data or software is delivered pursuant a General Services Administration “GSA” contract, use, reproduction, or disclosure is subject to restrictions set forth in Contract No. GS-35F-05925.

Overview

Name	Model

Product placement

Place the ThinkSmart View as shown.

Getting started

1. Connect to power, the device will be automatically turned on.
2. Follow on-screen instructions to connect to the Internet and set up the device.

- ⓘ The power adapter is suitable for the ThinkSmart View, do not use it for other purposes.

Using the camera privacy shutter

Make sure the camera privacy shutter is completely switched to cover the camera, and switch back to uncover the camera.

Factory reset

Press and hold the volume up button and the volume down button at the same time for a few seconds.

Important safety and handling information

Plastic bag notice

Danger: Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

Safety instructions for parents and adult supervisors

Your mobile device is not a toy. As with all electrical products, precautions should be observed during handling and using of electrical products to reduce the risk of electric shock. If parents choose to allow children to use the device, they should caution his or her child about the potential hazard while using and handling the mobile device.

Parents should inspect the mobile device (including the ac power adapter and the small part, as applicable) periodically for damage. Routinely check this mobile device to ensure that the device is working properly and is safe for children to use.

Service and support information

Lenovo Limited Warranty notice

This product is covered by the terms of the Lenovo Limited Warranty (LLW), version L5050010-02 08/2011. Read the LLW at https://www.lenovo.com/warranty/llw_02. You can view the LLW in a number of languages from this Web site.

Environmental, recycling, and disposal information

General recycling statement

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to <http://www.lenovo.com/recycling>.

Recycling information for Japan

Recycling and disposal information for Japan is available at:
<http://www.lenovo.com/recycling/japan>

WEEE information

Electrical and electronic equipment marked with the symbol of a crossed-out wheeled bin may not be disposed as unsorted municipal waste. Waste of electrical and electronic equipment (WEEE) shall be treated separately using the collection framework available to customers for the return, recycling, and treatment of WEEE.

Country-specific information is available at: <http://www.lenovo.com/recycling>

Additional recycling statements

Additional information about recycling device components and batteries is in your *User Guide*. See “**Accessing your User Guide**” for details.

Restriction of Hazardous Substances Directive (RoHS)
