

LITE-ON Technology Corp.

Declaration of Product Modifications

This is to request a Class II permissive change for FCC ID: PPQ-WV400A, originally granted on 11/23/2011.

The major change filed under this application is:

- Addition new antenna, antenna gain: 2.86dBi
- Modify the match circuit between amplifier to antenna. Others circuit and layout are identical with original granted. The detail information please refer to operation description.

Sincerely,

.....
