IITBV1 ITS Module Photos

Top	 <p>A photograph showing the top view of the IITBV1 ITS module. The module is covered by a metal shield. A white label is affixed to the center of the shield, containing the following text: 453564888101, 2016 RX 021, 000381, 2G4 ROHS, and Made in Denmark. A QR code is also present on the label. The module is placed on a white ruler for scale, with the 0 to 5 cm mark visible.</p>
Bottom	 <p>A photograph showing the bottom view of the IITBV1 ITS module. The green printed circuit board (PCB) is visible, featuring various components and markings. The markings include: TOPSEARCH, E96016, TS-M-8V01C SG, 94V-0, SR23798/20, and 2020. The module is placed on a white ruler for scale, with the 0 to 3 cm mark visible.</p>
No Shield	 <p>A photograph showing the bottom view of the IITBV1 ITS module without the metal shield. The green PCB is fully visible, showing a central black chip with the 'Qualcomm' logo. Other markings on the board include: 81907642, 102, and 020308. The module is placed on a white ruler for scale, with the 0 to 4 cm mark visible.</p>
