To Whom It May Concern:

The letter grants authorization for representative of **Philips Medical Systems North America Co.** to apply the FCC for a change in identification. This authorization applies to **Silex Technology, Inc.**, FCC ID: N6C-SDMAN, granted on 08/20/2012. The equipment is electrically identical. The only change being the label on the device. The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment. Under this new FCC ID, the PCB is made larger with two headers.

Should there be any question, please feel free to contact us.

Sincerely,
