

REGARDING PAYMENT FOR THE SUBJECT APPLICATION -- REVISED

In accordance with Section 2.929 of the Commission's Rules, Philips is hereby electronically submitting a single payment to cover the issuance of new FCC Identifiers to cover four previously authorized equipment devices. The payment is being submitted with the application for new FCC ID **PQCM3813A** and is intended also to cover **PCQM3815A**, **PCQM3816A**, and **PQCM2600**. We understand that a single fee can only cover the same type of device (i.e., transmitters, receivers, etc.) and hereby certify that all of the above-referenced devices are transmitters.

(Please note that we initially indicated that payment would be made in association with PQCM2600 for all of the applications.)
