

Philips Medical Systems

To: Federal Communications Commission, Washington, DC 20554
Date: August 25, 2004
From: Barry Wyshogrod, Philips Medical Systems, Andover, MA
Subject: Application for Radio Grant and associated Request for Confidentiality

Dear Sir or Madam,

Philips Medical Systems of Andover, Massachusetts hereby submits the enclosed application for Equipment Authorization under 47 CFR Part 95, Subpart H for a wireless medical telemetry station transmitter, Model M4842A.

Upon receipt of this grant, the grant ID number will be applied to the device. Furthermore, the instruction to the user concerning frequency coordination (as per 47 CFR 95.1109) will appear on the product label.

This filing includes:

1. Block Diagram & Functional Description
2. Schematics
3. Bill of Material
4. Internal Exploded View
5. Part 95 Test Report

Under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act, Philips Medical Systems hereby requests that items 1-5 listed above be granted Indefinite Confidentiality from public disclosure, as this information is deemed to represent trade secrets.

In addition, this filing also includes:

6. Artwork for Product Labels
7. External Device Photographs

Under the provisions of FCC Public Notice DA 04-1705, dated 15-Jun-04, Philips Medical Systems hereby requests that items 6 & 7 listed above be granted 45-day Limited Confidentiality from public disclosure, as the information is deemed to represent commercial secrets.

If for some reason, the Commission cannot provide the Indefinite and Limited Confidentialities as requested above, please contact me, and please insure that no material is placed into the public domain until we have had a chance to discuss this issue.

Thank you in advance for your consideration of this application. I can be reached at **(978) 659-7383** or by e-mail to: barry.wyshogrod@philips.com. If I am not available, please contact Ms. Denise Haley at **(978) 659-4358** or by e-mail to: denise.haley@philips.com.

Sincerely yours,

Barry Wyshogrod
Regulatory Engineer
