Subject : Request for Class II permissive Change  
FCC ID : PQRDS540-MPCI4W  
Original grant date : December 14, 2004  
Applicant : Contec Co., Ltd.

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: PQRDS540-MPCI4W, originally granted on December 14, 2004.

The major change field under this application is:

Change #1: Added DFS function as a client device. We only modified the software for this change and there is no change on hard ware. The software change does not change any RF circuitry and that it does not affect EMC characteristics of the device.

Thank you for your attention to this matter.

Sincerely yours,
