3-9-31, Himesato, Nishiyodogawa-ku Osaka Japan 555-0025

GENERAL DECLARATION :DFS REQUIREMENT

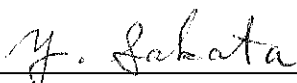

Date: 2013-03-15

To address the essential requirement of DFS, we, **Contec Co., Ltd.** declare the following.

DFS Requirements	<ol style="list-style-type: none">1. Contec will make sure that production version of software(v1.03.06) releases will have its DFS performance internally verified to meet all FCC requirements.2. This module will be also installed in products sold to other regions and countries; there will be non-US versions when sold to non-US customers. It will fix the regulatory domain or country code setting at the applicant's factory before sell to customers, which will be enabled in the firmware on a permanent basis and that no means are provided to users of the equipment which would enable them to change this setting.3. Following processes of section 3, the device does not support any non-US channels in all the operational mode when sold to US customers. Therefore provide statement " in the "Declaration for no non-US channel operation" letter.
