Gentlemen:

Product: OEM Wireless Modem, Boomer II, FCC ID: PQS-BM28001  
Request for Confidentiality

Wavenet Technology Pty Ltd, hereby requests confidentiality of the Block Diagram, Schematic Diagrams, , Parts List and Operational Description Exhibit for the attached test report.

Further, Wavenet Technology also requests to keep the manual confidential and just making visible the 3 relevant sections of the manual, "Compliance Statement" page 12, "Regulatory Requirements" pages 23, 24, 25 and "Selecting an Antenna" pages 42, 43. Currently Wavenet Technology only releases a User Manual to customers with whom they sign an NDA.

These documents contain detailed system and equipment description and related information about the product, which *Wavenet Technology Pty Ltd* considers to be proprietary, confidential and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, *Wavenet Technology Pty Ltd* considers this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours sincerely
