Dear Sir or Madam:

The application for FCC certification PQTDORM07 will cover 6 unique part numbers, which are electrically identical. The PCBs and software are unchanged between each. The only differences are in the plastic case containing the PCB. Each PCB is equipped with 6 solder pads to accommodate the variety of button configurations.

MODEL	DESCRIPTION	Buttons
99134	KEYLESS ENTRY REMOTE	4
99135	KEYLESS ENTRY REMOTE	4
99136	KEYLESS ENTRY REMOTE	5
99140	KEYLESS ENTRY REMOTE	3
99142	KEYLESS ENTRY REMOTE	5
99143	KEYLESS ENTRY REMOTE	6

Sincerely,

Matthew Barnard
