DORMAN ®

NEW SINCE 1918 ™

Dear Sir or Madam:

The application for FCC certification PQTDORM14 will cover 2 unique part numbers, which are electrically identical. The PCBs and software are unchanged between each. The only differences are in the plastic case containing the PCB and the number of buttons soldered on each PCB. Each PCB is equipped with 4 solder pads to accommodate the variety of button configurations.

MODEL	DESCRIPTION	Buttons
99147	KEYLESS ENTRY REMOTE	4
99131	KEYLESS ENTRY REMOTE	3

NEW PRODUCTS. NEW SOLUTIONS. NEW OPPORTUNITIES.
