

Dear Sir or Madam:

The application for FCC certification PQT DORM17 will cover 2 unique part numbers, which are electrically identical. The PCBs and software are unchanged between each. The only differences are in the plastic case containing the PCB and the number of buttons soldered on each PCB. Each PCB is equipped with 4 solder pads to accommodate the variety of button configurations.

MODEL	DESCRIPTION	Buttons
99139	KEYLESS ENTRY REMOTE	3
99141	KEYLESS ENTRY REMOTE	4

Sincerely,

A handwritten signature in blue ink, appearing to read "T. Knoblauch", is positioned above the typed name.

Thomas J. Knoblauch
