

## Appendix 2. FCC ID Label and location

A Class B digital equipment subject to certification by the FCC shall carry a warning label which includes the following statements:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This statement should be stuck in a conspicuous location on the device. If impossible, this warning label should be placed in a prominent location in the user's manual.

### Label Drawing :

### Label Location

The label shown above shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time purchase.(Labeling requirements per 2.925)
