Re: FCC ID: PR6IFB

To Whom It May Concern:

The following application is submitted on behalf of our client, Zaxcom, Inc., for evaluation of their model IFB200 for certification under FCC Part 15.247.

The FCC ID: PR6IFB is a 2.4 GHz wireless transceiver used in professional wireless audio applications operating in the frequency range of 2403 MHz - 2473 MHz.

The equipment was tested in full to the aforementioned test requirements and was found to be in compliance.
