Gentlemen:

Zaxcom respectfully requests confidentiality of certain materials provided with the submission of the LA5 under FCC ID: PR6LA5 in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to (1) schematic diagrams, (2) detailed block diagrams, (3) detailed operational descriptions contained in this filing and included in the following files, (4) bill of material (BOM) and (5) Tuning procedure.

The LA5 has been developed at considerable effort and expense by Zaxcom. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Glenn Sanders

President
