Re: FCC ID: PR6XRT

To Whom It May Concern:

The following application is submitted on behalf of our client, Zaxcom, Inc., for evaluation of their model XRT for certification under FCC Part 74H.

The FCC ID: PR6XRT is a transceiver module operating in the frequency bands of 512 MHz – 608 MHz and 614 MHz – 698 MHz. The unit is intended to be integrated within battery operated professional wireless audio equipment.

The FCC ID: PR6XRT was evaluated in full to the aforementioned test requirements and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive, flowing style.
