Re: Supersede request for FCC ID: PRDMU111; Granted on 2022/8/21

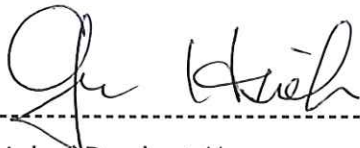

To Whom It May Concern:

We regret to inform you that due to the sample version, we have submitted the wrong Internal photo (Not the final version to pass the test).

To prevent misunderstanding to the public, we would like to request the FCC supersede the exhibit described as Internal Photo.

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,

Gavin Hsieh / Product Manager
