FCC Class II Permissive Change Request Letter

Date: 2016-01-08

To FCC:

RE: FCC Permissive II Change Request for Company: Aprox Technologies Co., Ltd. FCC ID: PRDMU36

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Aprox Technologies Co., Ltd., product description: Wireless Bluetooth Mouse (FCC: **PRDMU36**, Original Grant Date: 2015-07-02). The transmitter module itself has not changed. Here are the changes:

1. Change Bluetooth antenna type from PCBA to Integral.
2. Change Bluetooth antenna Gain from -1.56dBi to -0.615dBi.

Except for the changes above, no other modification is performed. There is no hardware or electrical modification made to the applying transmitter itself. These changes enhance module power supply stability, other parameters are the same as the voltage and current, and will not affect the Bluetooth module and 2.4G module RF characteristic will not change.

If you have any question or concerns, pls. contact us.

Sincerely,

(signature)
