

STATEMENT OF ATTESTATION

October 18th, 2002

All test procedures and data supplied with this application was supervised by myself and is, to the best of my knowledge, true and correct.

My qualifications are:

- B.Eng, McMaster University, 1980
- Member of the Association of Professional Engineers of Ontario (since 1984)
- 20 Years experience as a practicing engineer.
- 7 years experience in RF design.

All test were conducted in accordance with the ISO 9001:1994 standard in a facility audited to the ISO 9000 standard. Test equipment used in this series of tests was subject to the calibration requirements and control as required by the ISO Quality Assurance Standard.

I hereby certify that the application to which this statement is attached is, to the best of my knowledge, accurate and appropriate.
