

CONFIDENTIALITY REQUEST

November 20, 2002

To Whom It May Concern,

Persuant 47CFR0.456(d)(1)(ii), it is understood that all material contained in this application be withheld from public inspection prior to the granting of a FCC license.

BotCorp America/Mobilacom requests that certain material contained in this application be kept confidential after the grant is approved and is withheld from public inspection. It is understood that the FCC shall take measures to ensure that this material is securely kept and that circulation is controlled so that the documents are accessed only on a 'need to know basis' by appropriate FCC personnel.

The material to be kept confidential comprises the following documents:

- Internal Photographs
- Circuit Diagrams
- Circuit Descriptions
- Antenna Type Approval Test Report
- Parts Lists

Specifically, these exhibits contain information that could be of significant financial and technical benefit to competitors and therefore is not to be released to the public. These exhibits contain trade secrets and commercial proprietary information that BotCorp America/Mobilacomm will not release for general circulation and is only releasing to the FCC for the purpose of the evaluation of our application for the authorization of our equipment.

David Bot

A handwritten signature in black ink, consisting of a stylized, cursive letter 'W' or similar character, followed by a horizontal line extending to the right.

President, BotCorp America
