Att: Richard Fabina
Chief, Equipment Authorization Branch
Re: FCC ID: PT5RC9200

Gentlemen:

Pursuant to Sections 0.457 and 0.459 of the FCC Rules, Philips Industrial Activity request post grant confidentiality for the following attachments filed to support the pending Class II change request for the referenced FCC ID. This equipment has been modified by replacement and/or addition of numerous components on the printed circuit boards. A complete description of the changes and a new test report have been submitted to support the Class II change request.

1. Circuit diagrams submitted as Equipment Authorization electronic filing attachment: "Schematics".
2. Block diagram submitted as Equipment Authorization electronic filing attachment: "Block Diagram".
3. Technical description submitted as Equipment Authorization electronic filing attachment: "Operational Description".

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Phillips Industrial Activities does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by telephone at 410-531-3439, by fax at 410-531-0807, by email at jinglis@erols.com, or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.

Regards,
