

Jack

I have done a quick investigation of the FCC ID: PTITSAM-001 and cannot proceed with the complete review until the following items are uploaded.

- 1) Set up photos
- 2) Theory of Operation
- 3) Statement that there is no data transmitted and that the system shuts off after 5 seconds when button is released.
- 4) Letter of authorization from them for you to be the agent.
- 5) Letter of confidentiality
- 6) Letter in compliance with the Drug act .
- 7) Statement that it was tested in all three orthogonal planes.
- 8) Parts list

Please do not respond to this email but upload all required information to the ATCB web site.
