

Supersede Letter

To whom it may concerned,

We would like to correct this problem on FCC ID: PU5TXE01, Timco's job number is 2648TC11
PU5TXE01.

This negligence is we did not notice that external photo had been used on label sample and location file in this case.

In this project, the applicant listed the external photo file to be a short term confidential requirement.

We believe that both of us did not notice this problem from the beginning. So, please correct this mistake as soon as you can.

Just because this external picture is a confidential matter.

Thanks for your cooperation & support.
