

Limited Modular Approval Request Letter

Date: 2010-12-20
FCC ID: PV7-WIBEAR-E
Type of Equipment: 802.11a/b/g WLAN + Bluetooth module
Model name: WiBear-E

We, Eurofins Product Service GmbH, are authorized by Lesswire AG to approve the above described unlicensed radio device under limited modular approval. The application of this module is specified to mobile host equipment. The requirements have been clearly explained below:

- i RF shielding**
The module does not fulfil the requirement of RF shielding, please refer to Installation and Regulatory Guide.
- ii Buffered modulation/data inputs,**
has been integrated in the chipset
- iii Power supply regulation,**
is integrated
- iv Antenna requirements section 15.203, 15.204 b and 15.204 c**
The module comes with two permanently attached antennas. The spurious emission requirements are fulfilled (see attached test report).
- v Stand alone test configuration**
Please referring to test set up configuration photo
- vi Labelling**
The module has its own label. The instruction for labelling rules for the host device has been stated in the users manual
- vii Compliance on specific rule or operating requirements**
The required FCC rules has been fulfilled and all instructions for maintaining compliance has been clearly stated in the users manual
- viii RF Exposure,**
RF exposure requirements are fulfilled for mobile configuration. The installation of the module is restricted to mobile host devices what is clearly stated in the installation instruction of the user manual
