RE: CONFIDENTIALITY REQUEST FOR

FCC ID PVH090701S

Model name: Class II OEM Bluetooth Unit, Type number: cB-OEMSPA310i

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.457 and 0.459.

We have requested that the **block diagram**, **schematic diagram** and the **Users/Integration manual** (highly technical for OEM integration only – module is nonconsumer device), required to be submitted with this application to be withheld from public review.

The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business.

Please contact me if there is any information you may need.
