RE: CONFIDENTIALITY REQUEST

FCC ID PVH0908EP

Model name: OWSPA311g

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.457 and 0.459.

We have requested that the following documents required to be submitted with this application to be withheld from public review.

- Schematics
- Block Diagram
- Integration Manual (E&M Datasheet, Assembly Specification)

The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful to our business. The documents are highly technical integration information addressed to the module integrator and not to the end-user. We assure, that this information will never be made public.

Please contact me if there is any information you may need.

Regards,
