

Class II Change Request

We, connectBlue AB, hereby request to update the FCC/IC listing of the product cB-0926-02 with two additional antennas.

FCC ID: PVH0926
IC: 5325A-0926

The antenna(s) and the modular approved transmitter module will be integrated by ourselves into mobile categorized devices (2.4 GHz Ethernet-to-WLAN Adapter "cb-RWE231" and 5 GHz Ethernet-to-WLAN Adapter "cB-RWE241") where a separation distance of min 20 cm between the antenna and the human body can be assured during normal operating conditions.

The two additional antennas are:

Band	Antenna name	Manufacturer	Type	Gain [dBi]
5 GHz	cB-9017-01	ProAnt	Helix antenna	+4
2.4 GHz	OnBoard 2400 CP	ProAnt	Patch antenna	+3

The added antennas are located on a separate PCB.

This means that there are no changes made to the original approved radio module.
