Office of Equipment Authorization  
Federal Communication Commission

To Whom It May Concern:

This letter will address the specific equipment this retrofit kit is designed to upgrade. The FCC identifiers and aural emission associated with the TTC equipment models are the following:

FCC ID	MODEL NUMBER	Emission designator	Frequency Range	Power Output
UST-106	UST-106, UST-106A	Translator	470-890 MHz	100
UUST-106	UUST-106, UUST-106A	Translator	470-890 MHz	100

Sincerely,

**Gregory L. Best**
